: Project Managers, Consultants, Contractors
Amin Al Mulla - Chief Operating Officer EHS

CC : Abdulla Belhoul - Director Projects - CED - Trakhees

SUBJECT : Site Fencing

DATE : 8th June 2009

It has been noticed that site fencing are not being maintained. This may be because of construction activities/vehicle movements or by natural reasons.

Kindly note that site fence should meet these minimum requirements:

- ✚ Shall be complete throughout the plot perimeter and maintained till the completion of the project
- ✚ Shall be without openings, except for the access
- ✚ All construction material including debris shall be within plot limits
- ✚ Shall be as per CED - Trakhees guidelines
- ✚ For unattended sites gates shall be locked and proper sign boards shall be provided with complete details

Please be advised that failure to comply within fourteen (14) days will result in EHS taking further action without further reference.

Dubai World Business Units are required to communicate to their clients for necessary action.
