CIRCULAR: EHS/GB/01/12

TO : All Business Units Of Dubai World, Their Clients , Green Building Consultants, Architectural & Engineering consultants, Contractors and relevant stakeholders

SUBJECT : Client Procedure for Green Building Certification

DATE : 9 April 2012

Greetings from EHS!

Trakhees-EHS (Environment, Health and Safety), the regulatory arm of PCFC -Ports, Customs and Free Zone Corporation announced the commencement of its “In- house” Certification facility for Green Buildings vide its circular EHS/GB/04/11 dated 15 December 2011, with a view to providing the clients a viable and cost effective alternative for certification of their Green Building Projects. It was the intention of the department to release a procedure that would guide them into ways of seeking this service.

In line with its earlier commitment, the sustainability department has released the client procedure for EHS Green Building Certification of projects. This procedure titled EHS-GBP-13 is also interlinked with the NOC-BP and NOC-BCC application procedures to bring clarity, consistency and completeness to the process.

The clients are hereby asked to review these documents in relation to their projects and accordingly use the relevant ones for their process.
