

ENVIRONMENT, HEALTH AND SAFETY

SUSTAINABILITY DEPARTMENT

CIRCULAR: EHS/GB/02/16

TO : All Business Units Of Dubai World, Their Clients , Green Building Consultants, Architectural & Engineering consultants, Contractors and relevant stakeholders

SUBJECT : Green Building Submission – Sample Formats Warehouse and Villa Developments

DATE : 27 July 2016

Greetings from EHS!

The sustainability department is pleased to inform its valued stakeholders that it has added four new guidelines, purely focusing on the green building submissions for villa and warehouse projects. This initiative is on the back of several requests from consultants and contractors who felt the need for such a document to assist them not only in understanding the requirements but enhancing the quality of their submissions as well.

These have been designed and developed to provide the stakeholders with a broad perspective of the type of evidence EHS Sustainability Department expects from them to demonstrate their compliance.

Details are as under:

Guideline	Description
Guideline No. GB-010	Sample Submission Formats – Warehouse [NOC-BP]
Guideline No. GB-011	Sample Submission Formats – Warehouse [NOC-BCC]
Guideline No. GB-012	Sample Submission Formats – Villa [NOC-BP]
Guideline No. GB-013	Sample Submission Formats – Villa [NOC-BP]

These guidelines can be accessed from our portal <http://trakhees.ae/en/ehs/gb/Pages/GB-Guidelines.aspx>

It should be borne in mind that guidelines are advisory in nature and should not be viewed as an all encompassing document for easier / quicker approvals. They are intended to compliment the applicant's knowledge of the regulations and procedures which he or she may have gained through accreditation programs and experience.

We trust you would start familiarizing with these guidelines and do your utmost in putting together a professional submission.

EHS is committed to providing quality regulatory services to our business units and clients in protecting the environment, human health and safety. As always, we look forward to your suggestions, cooperation, support and a very successful working relationship.

Should you have any queries, please feel free to approach the Green Buildings department or contact us at EHS.GreenBuilding@trakhees.ae

Regards,

Eng. Madiha Salem
