

## **CIRCULAR**

REF: EHS / 02 / 2008 Dated: 19 - March - 2008

### **TO ALL BUNKER SUPPLIERS, SHIPPING LINES, AGENTS, HAULIERS, TRADERS AND PORT USERS**

**Subject : Implementation of EHS Regulations & Requirements for  
Bunkering of Ships**

Effective **April 20, 2008** all bunker suppliers, bunker craft operators, vessel operators, shipping agents and port users using Dubai World premises are required to comply with the requirements as set out in the "EHS Regulations & Requirements for Bunkering of Ships" which is available on [www.ehss.ae/departments/Ports & Maritime](http://www.ehss.ae/departments/Ports%20&%20Maritime) and [www.dpworld.ae](http://www.dpworld.ae). A copy of this regulation shall be made available on board every bunker supply vessels and road tankers. Only EHS approved bunker suppliers shall be permitted to supply bunker to vessels calling Dubai World ports and its business units.

Furthermore, bunker suppliers shall also meet all relevant requirements as set out in Annex VI - MARPOL 73/78 and Annex VI - Regulations for the Prevention of Air Pollution from Ships. Non-compliance to these regulations will lead to appropriate penalties and/or sanctions against the violators.

For more queries or clarification, please send mail to [ehs.ports@dubaiworld.ae](mailto:ehs.ports@dubaiworld.ae) or contact EHS over the phone +971-4-8068820/ 829.

Sincerely,
