

Regulation PM: Preamble

- A.** These regulations provide a high level of safety to people, property, and equipment against hazards associated with port activities, shipping, marine and commercial operations and environmental protection in areas under PCFC jurisdiction. They will be periodically reviewed, updated and made available to users as part of EHS - Port & Maritime Department section's responsibility for providing environment, health and safety protection criteria & requirements to all ports users, developers / lessees / licensees using Port and Maritime facilities of PCFC/ Dubai World.
- B.** These regulations are distributed electronically through websites: www.trakhees.ae
- C.** These regulations, having the force of law, are effective from the date of issuance of their current (2010) electronic version / edition; and all stakeholders are obligated to comply with them strictly. These regulations shall be read in conjunction with all relevant provisions [concerning overall authority of Trakhees/EHS Department, sanctions & penalties and enforcement, etc.] of the Regulations of Trakhees' EHS Department.
- D.** Currency of hard/paper copies of these regulations shall be ensured by way of doing minute checks against their current electronic version
