## 1. Purpose and Objectives

The purpose of this document is to outline the procedure for Clients/ Consultants/ Contractors to obtain a NOC for Temporary Road Traffic Diversion, which once obtained will enable them to initiate installations on site.

Accordingly, TRAKHEES, as Department of Planning and Development of PCFC (hereby referred to as 'Authority'), takes the role of reviewing and approving NOCs for Temporary Traffic Diversion, to support Project development, within Trakhees jurisdiction.

## 2. Scope

The scope is from the receipt of a request from a Consultant/Contractor for a review of Temporary Traffic Diversion approval (online submission) to the issuance of Temporary Traffic Diversion NOC, within Trakhees' jurisdiction.

## 3. Definitions and Abbreviations

HD	HelpDesk (CED's internal section)
Service Fees:	Service fees are charged prior to release of the NOC, and includes Refundable Deposit ( <a href="#">refer section 6</a> )
	Payments can be made via channels such as Online payments / Al Ansari Exchanges / Bank Transfers

For acronyms, kindly refer to [APPENDIX – 1: Definitions & Acronyms](#)

## 4. Procedure

For quick procedural info, please refer to the [Workflow](#) on last page.  
For a more detailed approach, please read below.

- 4.1 INFORMATION & PREPARATION:** For identification of Advertising NOC stages and submission requirements, the Applicant has to visit the website [PCFC.ae](#) ☞ [Services](#) ☞ [Trakhees](#) ☞ [Department \(Civil Engineering\)](#) ☞ [Section \(Planning\)](#), and search for the below service required.

[Request for No Objection for Temporary Traffic Divergent](#)

Refer client procedure PCFC-TRK-CED-PL-CP-09 (this procedure) with related forms (refer [section 7.0](#))

**4.2 APPLICATION:**

The following applications can applied online via link <http://online.Trakhees.ae> by attaching all requirements as set in '[Application Form – Temporary Traffic Diversion NOC \(TRK-CED-PL-CF09a\)](#)' as per the requested application and including all necessary documents ([refer section 7](#)).

**4.3 SECTION ADMIN / HELPDESK:**

Upon receiving online submissions, CED Section Admin/ Helpdesk validates all requirements and accordingly updates (via system) the status online, like below.

**Online Submission Status:**

<b>In-Progress –</b>	Submission's Acceptance*/ Review is in progress ( <i>*not approval of NOC</i> )
<b>More Info Required –</b>	Applicant to reply to HD's comment/s and/or fulfil HD requirement/s.
<b>Not Accepted –</b>	Application is not accepted by HD (viz. duplicate submission, wrong service request, Applicant request, etc.)

**4.4 REVIEW & APPROVAL:**

After the acceptance and within 10 working days, CED shall then notify customers on the below review outcomes.

**APPROVED -** If submission is approved and complete, while complying with all Regulations and Guidelines set by Trakhees, the CED Engineers stamp relevant drawings.

**RE-SUBMISSION REQUIRED -** In the event where problems have been identified, the applicant shall be informed via system, for correction prior to resubmitting the application. Accordingly, Applicant is required to respond/reply to comment(s).

#### 4.5 FINAL PAYMENT:

Upon receiving notification of successful approval, Applicant ensures that the service fees (including Refundable Deposit, [refer section 6.0](#)) are fully paid for, prior to receiving documents.

**NOTE:** Temporary Traffic Diversion -NOC documents are released via System, only after Applicant completes payments of all fees.

#### 4.6 DOCUMENT DELIVERY:

Finally, applicant receives a download link to the Temporary Traffic Diversion -NOC and all approved drawings/ NOC, immediately after completion of additional payments (if any).

**NOTE:**

- 1) For non-payments, Applicant receives a system notification/ reminder to settle payment, prior to being blocked in system.
- 2) The download link is valid for a month. If applicant fails to download within the validity period, the link expires, and applicant requires to apply for 'Request for Copy of documents, refer PCFC-TRK-CED-DC-CP-01)
- 3) Applicant / Customer's consultant/ Contractor shall comply with all conditions (if any) listed in issued Temporary Traffic Diversion–NOC, and also ensures compliance towards all recommendations are completed.

## 5. Process Measurements

No.	Process	Target (Working days)
5.1	Time taken from acceptance of request to issuance of NOC for temporary traffic diversion.	10 WDs

For all submission types, Trakhees/CED is committed to complete review process within the above mentioned targets, however delays can occur due to the following:

- Missing drawings. Or documents
- Details clarification or calculations
- CPR System issue.
- Internal Sections clarification.
- Special approval from higher management
- Pre-requisites not met by client

## 6. Service Fees

No.	Service	Fee Code	Service Fees (AED)
6.1	CED - NOC for Temporary Traffic Diversion	EPPS020	AED 2,500
6.2	Refundable deposit	EGGS260	AED 10,000

\*Fee/s subject to change.

\*The above fees might be subjective to 5% VAT.

\* 10 AED Innovation fees and 10 AED for knowledge fees are to be added for each service.

## 7. Documents/ Forms
