NOTES					
<ol style="list-style-type: none"> Survey has to be done by a Survey company (for Consultant / Contractor without on board Surveyor), registered in DM and Dubai Department of Economic Development (DED). Survey has to be based from Dubai Local Transverse Mercator (DLTM) System. DM Survey Stations to be verified with DM Dubai Virtual Reference System (DVRS) prior to use. Control points shall only be established by combined or either static GPS survey, triangulation or closed traverse and shall fall within Third Order, Class I accuracy, established by Federal Geodetic Control Committee. It is consultant/contractor responsibility to determine the location of the proposed control point/s and to ensure not to conflict with future constructions. Survey has to be done using Global Positioning System (GPS) connected to DM Dubai Virtual Reference System (DVRS) and can be supported by a total station, as necessary / required. 					
DISCLAIMER AND SIGNATURE					
<ol style="list-style-type: none"> We hereby acknowledge that Absence of Surveyor and Contractor/Consultant at site during the agreed/scheduled site inspection will be subject to imposing relevant penalties in compliance with Trakhees-CED violation procedures. We hereby confirm that all information and documents provided in this application comply with Trakhees Regulations and Standards. If any delay occurs due to incorrect information provided by us in the submitted application we hold ourselves solely responsible for the delay. We are liable for any legal obligations which may occur due to invalid / tampered documents being submitted along with this application.
