Rules for Renewal Sheet

- Tanker Berth Safe Work Permit shall be renewed by the Tanker Berth User or Business Unit (as mentioned on the permit) representatives (Issuing Authority and Performing Authority) for 7 days starting from the date and time of issuance. Renewal shall be done every 12 hours (Day and Night) even if no work is been carried out.
- If the permit involves Hot Work, Confined Space Entry and Vehicle Entry, The Gas Free readings shall be revalidated by EHS Approved Gas Tester every 3 hours from the date and time of issuance.
- Tanker Berth Safe Work Permit shall be invalid if the Renewal Sheet is not signed, The Safe Work Permit and Attached Renewal Sheet Must Be Cancelled by the Issuing Authority.
- Only After All Safety Checks, Including Gas/Oxygen Measurement (if Applicable), are Carried Out and Authorized Personnel Signature are Obtained in The Respective Columns, The Work shall be permitted to commence.
- All Precautions and Requirements, As Stated in Original Safe Work Permit, Remain Valid and Shall Be Followed.
- The Issuing Authority shall be responsible for the renewal of the TBSWP on Daily Basis.
